**REFLECTIONS**-In the gospel, Jesus rescues a young girl from the jaws of death and he restores an afflicted woman. The woman suffers a serious physical complaint – an unending flow of

blood – that must have left her physically, emotionally and spiritually exhausted. For many of us there is some aspect of our lives that has an almost equally draining effect as the physical complaint of the woman. In effect, some aspect of our lives may be – a constant outflow of energy and emotion that prevents us from being all that we might be. It may be an unhealthy relationship; an addiction; a lack of confidence; a grudge; a lack of emotional control. God's graciousness toward us should prompt us to be generous toward others. What we receive as life-enhancing gifts, we must share with those in need, those to whom life has not been kind. As we have been favoured by the healing touch of God, so we must extend that same loving touch to others.

Hectorville Parish is a Child Safe and Family Friendly Environment. Our Child Protection Officer's are: Franco Canil (0419 183 936) and Danika Tremonte (0439635454).

**FIRST AID KIT** is located in Sacristy (where Priest's vest) on right hand side.

**Touching Jesus**

***Thirteenth Sunday in Ordinary Time (Year B)***

She said, “If I but touch his clothes, I shall be cured.” Mark 5:28

Here is an example of one who comes to Jesus with great faith. It’s a fascinating story, in that we are given the gift of being able to know her thoughts. This woman had suffered greatly for many years. She tried everything she could to be cured by doctors. She spent all she had. And then, in this desperate state, the woman turned in faith to Jesus.

Perhaps she had had great faith throughout her life; we do not know. What we do know is that in her suffering, she was greatly humbled and was out of options. In this humble condition, she did what any saint would do. She held on to the conviction that Jesus was the answer. When all else failed, Jesus would not let her down. Perhaps she didn’t know if she would be physically healed, but she did know she had to turn to Jesus nonetheless.

There is a great lesson in this story, in that we must have the same depth of trust and the same commitment to turn to Jesus with our life. Even if we have not tried every other option in life, we must all embrace the witness this woman gives.

Turning to Jesus with deep certainty and faith means we know that His will is all that matters. It means that we choose Him above all else and in every circumstance of life. It means we do not only turn to Him with our problems, we also turn to Him with our joys and in our blessings. Everything we do must come from a deep interior conviction that Jesus is the answer to everything in life.

Perhaps we have a habit of turning to Him only when everything else seems to fail us. But it shouldn’t be so. We are called to build a daily habit of seeking to “touch His clothes,” so to speak. This is a way of saying we must turn our heart, mind, will and soul to Him always.

Reflect, today, on how deep our habit is of reaching out to Jesus. Is He the first one we praise in our blessings? And is He the first one we turn to in our fears and struggles? Build this interior habit and we will see miracles of grace in our life.

*Lord, help me to always turn to You in all things. Help me to trust You when life seems hard and when things seem to fall apart. Help me to also turn to You in all the many blessings I receive. Jesus, I trust in You.*
