REFLECTIONS- The Gospel for this day reminds us that Mary's Assumption into heaven is best understood with regard for the full spectrum of Catholic beliefs about the person of Christ and the person of Mary. Only Mary, who was born without stain of original sin—the Immaculate Conception—could give birth to Christ, who is fully God and fully human. Mary is the first to receive the fullness of the redemption that her son has won for all of humanity. The Church, therefore, recognizes Mary as the sign of the salvation promised to all. Today's Gospel highlights Mary's faith. Mary's faith enabled her to recognize the work of God in her people's history and in her own life. Her openness to God allowed God to work through her so that salvation might come to all. Mary is a model and symbol of the Church. May we be like Mary, open and cooperative in God's plan of salvation.

The Assumption of the Mother of God

Today's celebration is one of the four great Solemnities by which our Blessed Mother is honored. Obviously, no other person other than our Lord is honored and celebrated with as much solemnity as the Mother of God.

The Solemnity of the Assumption honors the fact that when the Blessed Virgin Mary completed her life on earth, she never experienced death. Instead, at that glorious moment, she was singly privileged to be taken body and soul into Heaven to be with her resurrected Son so as to adore the Most Holy Trinity forever. It's an amazing fact to consider that she is the only person, other than Jesus, who retains her body and soul, united as one in Heaven, in anticipation of that glorious day when the new Heavens and Earth will be created and when all the faithful will rise so as to live in a new bodily form forever with God.

This Dogma of the Assumption reveals to us many things worth prayerfully pondering. First and foremost, Mary's Assumption was a result of her Immaculate Conception and the fact that she remained sinless throughout her life. The Assumption follows from the Immaculate Conception because death follows from sin. It was not the original plan of God that we experience the death of our bodies and the separation of our bodies and souls. Again, this is a consequence of sin. But since the Blessed Virgin Mary was preserved from all sin from the moment of her conception by the future grace won by her Son on the Cross, and because she freely remained free from sin throughout her life by her ongoing cooperation with that grace, then she not only did not experience death, she could not. Death had no power over one who was without sin.

The Gospel passage quoted above comes from the beginning of Mary's song of praise, her *Magnificat*, by which she not only gives the greatest glory to God but also reveals who she is. She is the one whom "all generations" will call "blessed." She is the one for whom "the Almighty has done great things." She is the one who will eternally proclaim "the greatness of the Lord" and whose spirit will forever rejoice in God her Savior. And she is that lowliest of servants whom God has raised up to the greatest glory.

Reflect, today, with the whole Church, upon the Most Glorious Ever-Virgin Mary who was conceived without sin, remained sinless throughout her life, never experienced death, and was taken body and soul into Heaven where she now adores the Most Holy Trinity and intercedes for us and for the whole Church. This is a Solemnity of great rejoicing! Share in this joy with the whole Church and with all the saints in Heaven!
