I am the servant of the Lord:
may his will for me be done.
Alleluia!

REFLECTIONS:- The circumstances of our lives influence the way we live out our faith. As Christians, we are called to devote ourselves to the service of Christ. Our primary commitment must be to Christ and to the way of being human that he has shown us. We must be committed to what enriches life and not to what diminishes it. We must be committed to the good of people and not to the hoarding of things. We may not be official heralds of the gospel, but we proclaim our faith in the way we live our lives, in the kindness with which we treat others, in honesty of our business transactions. We proclaim the gospel when we stand for justice, when we forgive those who have offended us, when we show compassion to those who suffer. As we step into the eschatological age, we are called to recommit ourselves to genuine Christian living.
