**REFLECTIONS:-** Sacred Scripture is a gift beyond our imagination. It’s a gift from God through which He reveals His perfect love and His perfect plan for us. We should know the Scriptures well, read them often, pray over the verses and allow all that is revealed within those pages to become the foundation of our lives. The Bible is the work of God and the work of the human author. This means that the human author completely cooperated with the inspiration of the Holy Spirit in writing each book and letter. And God, for His part, guaranteed that all that was written came from His heart and inspiration. Therefore, this joint effort reveals that God used the human author for a divine purpose. First, reflect upon the gift of the Bible and the way that God used the human author to give us this gift. Second, reflect upon the fact that God wants to use us, in all our weakness and sin, to bring His divine presence into our world. Be open to that gift so that we may become a living gift of the Word of God to the world.
