## REFLECTION

At the heart of the Beatitudes is Jesus’ instruction to his followers to cultivate certain qualities in their lives. To be gentle, to mourn, to thirst for what is right, to be merciful, to be pure of heart and to be peacemakers are signs of the presence of the kingdom of God in our lives. To have such virtues is to be blessed. Jesus teaches that those who suffer some human lack or pain are blessed, not because poverty, pain or sorrow are good in themselves, but because they reveal to us our need for God.

*World Day of Prayer for Consecrated Life*

Presentation of our Lord Thursday 2<sup>nd</sup> February

This day is important as it celebrates the lives of all the consecrated religious sisters and brothers in the Archdiocese. We thank God for the lives of our consecrated brothers and sisters and pray that God will call many more women and men to his vocation.

## Day of the Unborn Child Appeal 11<sup>th</sup> and 12<sup>th</sup> February 2023

A special collection is being taken up in support of the work undertaken by Birthline Pregnancy Support, Mothers without Medicare & Genesis Pregnancy Support Inc.

The Day of the Unborn Child assists us to focus on those people in our families and communities who have experienced any sort of child-bearing loss, whether miscarriage, still-birth, the death of a baby soon after birth, or abortion.

We thank you in anticipation for your generous support of those who work tirelessly with individuals and families who require these important resources and services.

## WALK FOR LIFE 11<sup>th</sup> February 2023

The Walk for Life is an annual event that gathers citizens of South Australia together to express their support for the proposition that all people, regardless of background, gender, sexuality or age should be able to live a free and full life through all stages of their lives. This includes protection from harm at all times and having access to the necessary services to achieve these aims.

To encourage community and other organisations, through education, to help those affected to work through all of the implications related to an unplanned pregnancy or abortion.

Through the use of available media resources Love Adelaide will promote awareness of the sanctity of every human life, alternatives to abortions as well as make known the support services available to those experiencing an unplanned or unsupported pregnancy as well as prior abortion.

We are pro-life in terms of the life of the mother and the child and we love them both. Furthermore, for all who have been involved with abortion we offer, not condemnation, but the healing compassionate love and forgiveness of Christ.
