Matthew 5:13-16

COMMUNION ANTIPHON:

Let them thank the Lord for his mercy, his wonders for the children of men, for he satisfies the thirsty soul, and the hungry he fills with good things.

REFLECTION

We must do more than just pray for people. We are called to act. When we do this, then the darkness of society will be overcome with light. Malicious speech, hate, and condemnation will be less visible when our acts of love shine. The gospel also uses the image of light. The good things we do glorify God, for the Light of Christ is shining through us. This is how the Kingdom of God grows. When people see our good works, then people can encounter Christ through us.

Hectorville Parish is a Child Safe and Family Friendly Environment. Our Child Protection Officer's are: Franco Canil (0419 183 936) and Danika Tremonte (0439635454).

FIRST AID KIT is located in Sacristy (where Priest's vest) on right hand side.

The retreats are preached by the priests belonging to Marymatha Province of the Vincentian Congregation who also run the Divine-Potta Ministries. Services started in 2013. It is slowly turning into an abode of peace and hope to those who seek His healing touch.....God does not forget His people.

REFLECTION

The people of Israel often described the Law of God as 'salt' because it gave zest and flavour to life and it preserved them as the people of God. Similarly, the Law was often compared to a light that showed them the path to God: 'Your word is a light to my feet and a lamp to my path' (Psalm 119:105). Jerusalem, the city on the hill, was a focal point and reminder of God's presence. Jesus gives a new focus to all these images when he applies them to those who hear his word and put it into practice. All Christians are called to be 'salt' and 'light', a 'city on the hill' giving witness to God's presence.

Day of the Unborn Child Appeal 11th and 12th February 2023

A special collection is being taken up in support of the work undertaken by Birthline Pregnancy Support, Mothers without Medicare & Genesis Pregnancy Support Inc.

The Day of the Unborn Child assists us to focus on those people in our families and communities who have experienced any sort of child-bearing loss, whether miscarriage, still-birth, the death of a baby soon after birth, or abortion.

We thank you in anticipation for your generous support of those who work tirelessly with individuals and families who require these important resources and services.

WALK FOR LIFE 11th February 2023

The Walk for Life is an annual event that gathers citizens of South Australia together to express their support for the proposition that all people, regardless of background, gender, sexuality or age should be able to live a free and full life through all stages of their lives. This includes protection from harm at all times and having access to the necessary services to achieve these aims.

To encourage community and other organisations, through education, to help those affected to work through all of the implications related to an unplanned pregnancy or abortion.

Through the use of available media resources Love Adelaide will promote awareness of the sanctity of every human life, alternatives to abortions as well as make known the support services available to those experiencing an unplanned or unsupported pregnancy as well as prior abortion.

We are pro-life in terms of the life of the mother and the child and we love them both. Furthermore, for all who have been involved with abortion we offer, not condemnation, but the healing compassionate love and forgiveness of Christ.
