For you are my rock, my stronghold!
Lead me, guide me, for the sake of your name.

SECOND READING: 1 Corinthians 2:1-5

Alleluia!

GOSPEL Matthew 5:13-16

COMMUNION ANTIPHON:

They ate and had their fill,
and what they craved the Lord gave them;
they were not disappointed in what they craved.

REFLECTION

We must do more than just pray for people. We are called to act. When we do this, then the darkness of society will be overcome with light. Malicious speech, hate, and condemnation will be less visible when our acts of love shine. The gospel also uses the image of light. The good things we do glorify God, for the Light of Christ is shining through us. This is how the Kingdom of God grows. When people see our good works, then people can encounter Christ through us.

Hectorville Parish is a Child Safe and Family Friendly Environment. Our Child Protection Officer's are: Franco Canil (0419 183 936) and Danika Tremonte (0439635454).

The Day of the Unborn Child assists us to focus on those people in our families and communities who have experienced any sort of child-bearing loss, whether miscarriage, still-birth, the death of a baby soon after birth, or abortion.

We thank you in anticipation for your generous support of those who work tirelessly with individuals and families who require these important resources and services.

FESTIVAL OF HYMNS

On Sunday February 19 at 1pm, James Lloyd, Cathedral Organist at St Francis Xavier's Cathedral will give a free concert featuring well-loved hymns played on the magnificent Cathedral Casavant Freres pipe organ to which you are warmly invited to attend and join in singing. James is the regular organist at the Cathedral's 11am Sunday Solemn Mass and his vibrant and effusive style has pleased Mass-goers for many years. This promises to be an afternoon of high entertainment and great delight for those who love music played on the Casavant Freres organ. The concert is part of the 2023 Fringe Organ Recitals program at the Cathedral.

PROJECT COMPASSION

Please take home a Project Compassion box or set of donation envelopes to support Caritas Australia this Lenten season and help support vulnerable people around the world, now and For All Future Generations.

With your support, Caritas Australia has been able to support communities around the world to tackle poverty, food security, education, water and sanitation and disaster risk reduction. Project Compassion 2023 reminds us that the good that we do today will extend and impact the lives of generations to come.

As St Pope John Paul II said, "The future starts today, not tomorrow." Together, we can help vulnerable communities face their challenges today and build a better tomorrow For All Future Generations.

You can donate through Project Compassion donation boxes and envelopes available from your parish, by visiting caritas.org.au/project-compassion, or by calling 1800 024 413.

Laxmi's Story

Laxmi is 16 years old. She lives with her mother and siblings in Jajarkot, a remote district in Nepal where almost half of the population live below the poverty line.

Despite her family not having very much money, Laxmi's parents were determined that their daughter receive an education.

Laxmi loved going to school. She joined a child's club at her school that was run with the support of Caritas Australia's partner, Caritas Nepal.

The club supports students to participate in extracurricular activities to develop their speaking, writing and leadership skills.

The children also organise awareness-raising activities, which include public rallies, street dramas and putting up posters to highlight different issues such as child rights.

Laxmi has now finished school, but continues to be involved in the child's club, mentoring the next generation of young leaders.

Since 2018, Caritas Nepal has supported more than 5,000 children through the child's clubs. With her fellow child's club members, Laxmi lobbied to have water taps installed at school. Laxmi dreams of becoming an engineer and is now studying a Diploma in Civil Engineering.
